### Pajama's, Black-eyed Peas, and Pirates, Oh My

I'm sure you are reading this now to find out what the heck pajama's, Black-eyed Peas and Pirates all have in common and why I would be writing about them. At least I hope you are! Those are just a few of the activities that helped start out 2016 for us and kept us very active in the month of January. This event started in 2015 but didn't end until 2016; our first ever New Year's Eve Pajama Party! Leading Knight, Courtney Weil chaired the New Year's Eve Party. She had DJ Rob spinning that night and playing anything anyone could ask for. The music and food were awesome. If you missed this event, you really missed a great event. Where else could you have seen your fellow Elks hanging out in their pajamas (I know you are probably saying to yourself, NO WHERE, I hope)?

Exalted Ruler Theresa Matthews

The next day after recovering from the NY Eve event, Loyal Knight, Shelagh Gombarcik cooked a traditional New Year's Day dinner of Ham, Black-eyed Peas, and Collard Greens. Shelagh put this meal on for donations to ENF only. Everyone was in unanimous agreement those were the best collard greens ever. I think I see a new tradition beginning. We had a fun and profitable New Year's Day which is historically not very busy. Thank you to everyone who came down and supported the Lodge and the bar that day. Hopefully, the black-eyed peas will bring you good luck this year and the collard greens will bring lots of money your way. Thank you Shelagh for putting this event on.

The Ladies of the Elks put on their annual "Tacky Party" in mid-January. This event has proven very successful and offers an alternative to a droll, boring Saturday night sitting at home. Believe me, this event is nothing but fun and, well Tacky! Just when I think it just can't get any tackier, it does. From the moment you walked into the door and were greeted by "The Bad Girl Scouts" and a Croaker Sack Lady, it just went downhill. Bob Orcutt made a great lady with the neon pink wig, if you ignored the beard, of course. Lady President, Suzanne Moore forgot to take the rollers out of her hair. The spam carving was beyond hilarious. The theme was "Vintage Television" or "Farm Animals". The third place team was Dave Partlow and Victoria Bihorel who carved an actual vintage television. Second place was Sandra Lake and Laura Jones with their amazing pig (I won't mention in here what it was able to do that was so amazing or the fact I thought it looked like a cow). The grand prize winners were former Tampa members, and current Brandon Lodge members, Linda Reid and Randy Gerber. They carved the

Hollywood Squares TV show from the spam and it looked fabulous. All teams had a very good showing. Honorable mentions go to Alex and Cindy from Brandon Lodge and Melissa and Nelson for their very good (and first time) spam carving attempts. The top winners for the Tacky costume were Bob Orcutt and Nan Quire. Great job to the Ladies of the Elks for putting this event on!

The Gasparilla event hasn't occurred as I write, but we have been making the rounds dressed like pirates trying to sell tickets to other Lodges. The results will be in next month's bulletin.

Membership gain remains to be a number we are striving to achieve this year. In my May 2015 article the goal was 300 members this year, adding 5. Plus 5 sounds fairly easy, heck we already initiated 20, with 3 more to be initiated this month. We reinstated 12. However, we did have 5 transfer out, 4 deaths, and we still have 36 delinquent members that did not renew their dues and will be dropped come March 31. If they are dropped and they want to come back, they will have to apply for reinstatement and get voted on to rejoin. It would be much easier to pay their dues now, and they can pay next year in advance at the same time. **We can now accept dues payments online! Current dues are \$93.25 Go to <http://fseanet.org/Payment/Tampa708Dues.htm>.**

The delinquent list is on the bulletin board. Check it out. If there is someone on there you sponsored, or one of your friends, please reach out to them and ask them to come back. Tell them everything they are missing! Tell them to come back and bring a friend as well and be on the lookout for extra Early Bird incentives. If we lose these 36 members, we will need to replace them. We don't want Tampa decreasing in size. We have so many grants to spend in our community and need Elks to do it! Remember, you are all on the membership committee. If you haven't sponsored one new member this year, now is the time to do it!

Remember, "We like you, we'll like your friends."

The Plant High School Theatre Dept. is looking for wall hangings, small furniture and other props that will help them turn a stage into a 1930's home. If you have items you would be willing to lend, contact Taylor Taylor or Courtney Weil. Taylor landed the lead role on their winter production of, "You Can't Take It With You." The performance is Feb. 11-13. Tickets are \$10.00 - available from Courtney or Taylor.

Save the Date: The South Tampa Chamber of Commerce's Premier Event, Taste of South Tampa will be held on May 15. The event has its own Facebook page. Check it out!

The 2016 Krewe of Sant'Yago Illuminated Knight Parade will be held on Feb 13 at 7:00. They have eliminated the downtown portions and parade only on Ybor's 7th Avenue. **FOR PAST PRESIDENT'S - FAMILY LOVE & ELKDOM'S FUTURE**

The chill of February 2016 is in the air - as a veritable "variety" of different events bring their individual "will" to our Lodge's way!

All of these events are in a mid-month cluster - as February 12th is Abraham Lincoln's Birthday. an annual celebration follows for just one day - February 14th is Valentine's Day - a really good "muster" - to renew all our family ties - at home- at school - at Church & especially with our Fidelity to Elks. The very next day - February 15th is President's Day - an American holiday to remember & revere the memories of past leaders.

February also brings America's Elks Lodge's together - as elections of new & old Lodge Leaders emerge - as dedicated memberships vote & elect their lodge's future's for Elkdom. So be a loyal Elk - come to your Lodge to celebrate & share those "special February days" - & don't forget - you may regret - our elections will bring our Lodge's "best future Leaders".

As Elks we should also continue to support & volunteer for the ENF Grant Programs that are a blessing & a life-line for our Elks future that reflect the true meaning of "who & what Elks are & do" for the communities we serve. Dedication & time will further our Elks aims & show the real worth behind what Charity, Justice, Brotherly Love, & Fidelity really means!

# Scholarship!

The judging locally is over, and the winners have been forwarded to the WCD competition...24 local high school seniors entered and only 6 spots were allotted to us by the state chair. We forwarded some fine candidates! The judging for District will now be completed, possibly by the time you read this, and winners again advanced...this time to the State finals. Best wishes to our winners, and after personally reading all 24 entries I have to say, we are producing some fine folks in Tampa schools!

Let me also step out here and thank both Robert Norton and Richard Florance who spent countless hours acting as my other two judges. This is one of the more time-consuming committee jobs in the Lodge and I ask lodge members to recognize Bob and Richard next time you see them.

I look forward to the day Tampa, and the WCD are recognized with scholarship winners!

Ahoy Mates!

I hope everyone had a good time with Gasparilla. January was a busy month for LOE & Elks. A new Year's Dinner to start - Thank Shelagh for the wonderful meal. I hope everybody ate their black eyed peas for luck.

I know everybody is busy after the Holidays, but I hope you'll take time out and read your Elksize for all the upcoming events and Friday Night dinners and Music. Come join your friends and have a drink and join us for fun and laughter.

. Congratulations to LOE member Patty Jankiewicz on being Elk of the Month. Another energized bunny running around.

We welcome back Lisa Snyder, who put on our Tacky Party with short notice in January. We all had a lot of fun. Nan Quire and Bob Orcutt won the tackiest costume contest - but there were a lot of good possible choices. Our members are so creative!

The House Committee has invited us to the Membership Appreciation Dinner. Please make your reservation by Feb. 12th.

It won't be long until it is time for our walk-a -thon. Check the Bulletin board for updates or news.

In February we will have our elections for next year's officers. I hope some of our members will take a chance and make a difference by taking on an office or chairing a committee.

Hi Elks & Ladies,

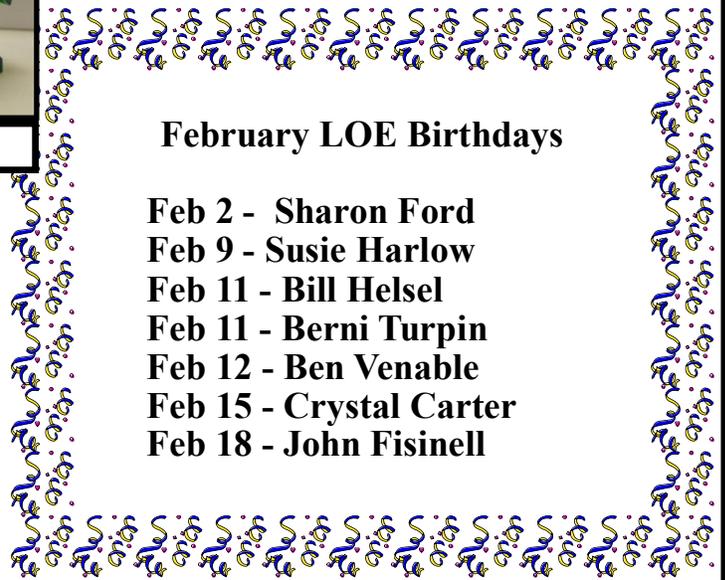

So far this month we have only 2 donors - Lisa Snyder and Robert Sommers. But we have had a great response from the bar. Tony always gives me a dollar when I see him, so he is a regular donor. We need members to remember what a great cause this is. If you can't remember to bring home a box, \$5.00 classifies as a full box and we'd love to have your name mentioned.

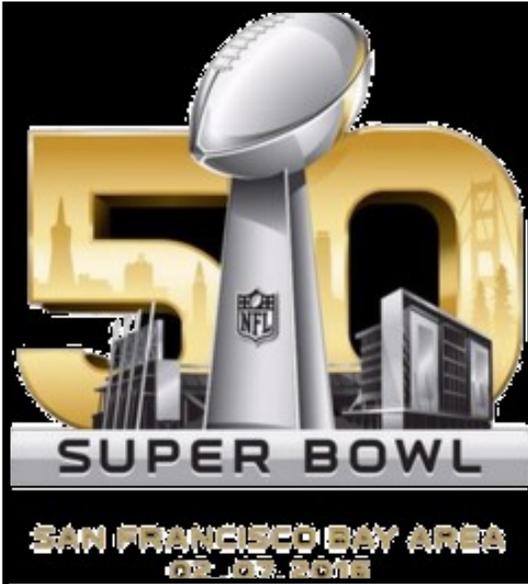

Thanks to all who have donated.

## ELKS NATIONAL FOUNDATION

We've had a good start to 2016 for ENF so thanks to the members that stopped by on New Year's Day to get their Southern New Year's Day Good Luck Food cooked by a Brit.. and a special thanks to that Southern Lady Ms. Bonnie Quire for cooking black eyed peas.

You have a lot to be proud of as Elks Members of Tampa #708, because of your donations we are the most CHARITABLE lodge in the West Central District and we are second most CHARITABLE lodge in the State of Florida. In return for your generosity the National Foundation has enabled our lodge to continue Services to our Veterans, and Feeding the Homeless. Our local High School Robinson has been a big recipient and I'm sure there are a few Robinson Alumni's that are proud to be a part of this great organization.

We have been able to help our local community to the tune of over \$20,000; how many other clubs have this kind of an impact here in South Tampa. We are without a doubt a "Premier Charitable Organization".

Thanks to all my Brothers and Sister who have donated and a Big Thank you to TINA HIGGINS, GEORGIA HILLFICKER, AND PAUL DELAND who each have donated \$100.00 to ENF in the last month. Thanks again and I will see you at the lodge!

**Officer of the Month: Courtney Weil**

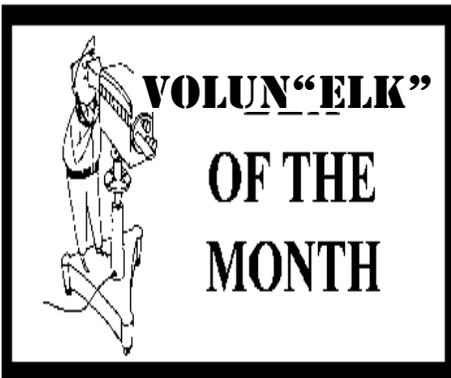

Our officer of the month is a two time winner now! Courtney does so much at Tampa Lodge that it just could not be recognized just once. Aside from cooking at least one Friday night a month, visiting at least three different suppliers with Georgia Hilficker to do the weekly shopping, leading the Community Activities committee, managing food inventory, Harry-Anna Chair, and running the church’s kitchen when we serve the homeless at least once a month, she also found time to plan and deliver on a fabulous New Year’s Eve event. Courtney tried a different tactic this year and planned a pajama party with a fabulous DJ, member Rob Bryja, tantalizing appetizers, bountiful potato bar with all the fixings; steak, chicken, every potato topping imaginable and a restaurant caliber salad bar. She followed it up with a sundae bar for dessert. This was a fun, creative event that offered overnight accommodations (BYOSB- Bring your own sleeping bag) to prevent anyone driving on the road if they didn’t feel comfortable doing so! Courtney has a full time job, is the mother of a high school senior, and spouse to Sami who would all love to see more of her. Courtney has also been an active recruiter bringing numerous new members in or encouraging reinstatement from delinquent members. Thank you for all you do Courtney!

**Elk of the Month: Nancy Keesler, PER**

Nancy Keesler was the first female Exalted Ruler in Tampa. She has served in many positions including Secretary, and has been a mentor to all of this year’s officers. She covers for the Bar Manager when he is not available. Nancy cooks in the kitchen on a regular basis. She also helps with our many charities. For the last two years Nancy has performed as the Easter Bunny for the Children’s party, She has been spotted helping with the prep work and serving the homeless, even though she lives across town and that work is done early in the morning. Nancy has pitched in to help with every event, setting up or decorating tables, helping in the kitchen, or whatever they need. Even when she is just here for dinner, if the servers get behind she will jump up and bus tables, pour coffee, or whatever else is needed. She has even jumped behind the bar in an emergency. Thank You, Nancy for always being there when we need you.

**Volun”Elk” of the Month: Jeanne Reinhart, VP, West Central District (WCD)**

Our Volun”Elk” of the month is someone that is actually an Elk, but not at Tampa 708. Our very own West Central District Vice President, Jeanne Reinhart, has been instrumental in the success of our Gasparilla event for the second year in a row. Jeanne sold more tickets than anyone else. She really pushed the ticket sales at her Lodge, Largo, as well as the other Lodges in the West Central District. Aside from being the district VP, she is also a Trustee at Largo Lodge, and very active motivating her district to achieve outstanding results. Jeanne has helped advertise and participate in numerous events in Tampa Lodge. She has also been a good source of knowledge and guidance for me this year. Jeanne also helps support our very own Frank Palladini, PSP, with his numerous state activities. We appreciate all the support of Tampa 708 that Jeanne has provided the last couple of years and would like to make sure she knows it. Thank you Jeanne!

The process of getting members to OPT OUT of a paper Elksize has been a slow one. If you are reading this online, please consider adding your name to the list in the composition book in the foyer. In the meantime, I wish to offer my heartfelt thanks to those who have showed up to fold and label the Elksize in preparation for the mail each month. It is true that many hands make light work. So to Susie Harlow, PLP, Patty Jankiewicz, Elma Kelly, Sue Moore, PLP, Gwen Burk, Nancy Keesler, PER, Bonnie Atwood, Shelagh Gombarcik, PLP, , Bonnie Quire, and Theresa Matthews, PLP & ER  
Thank you for donating your time, usually on short notice!

I know a lot of members are more skilled than me and could easily tackle this job. Please step up! If requested, I will continue dealing with the post office after the paper is printed.
